ARUCAD IN BRIEF

The Arkin University of Creative Arts and Design (ARUCAD) is a university focused on Arts, Design and Communication, founded in North Cyprus in 2017. 'Learning whilst producing, producing whilst learning' is an ethos that underpins all our teaching, student experience, critical thinking, research and practice. During their time at ARUCAD students will develop their creativity through programmes that follow an interdisciplinary approach to communication skills, traditional and modern art.
