a part of

”

Prof. Dr. Asım Vehbi

Rector

In Arkin University of Creative Arts and Design (ARUCAD), we offer all our students the requisite creative environment and opportunities to discover and develop their talents, focus on success, and become visionary thinkers determined to make a difference in the society and the world. The model that is most suitable for the environment of an art, design and communication-oriented university is one in which students are equipped with theoretical

knowledge while they can use their skills at the highest level. With this awareness, ARUCAD follows an educational model that encourages students to discover their potential with its internationally renowned academic staff; in addition to workshops, studios and laboratories; with high capacity production facilities. Learning by producing and producing by learning is a form of practice that explains the education philosophy of our university in its simplest form. Within this context, ARUCAD is a university where you will discover your creativity and you will be able to make your dreams come true. ARUCAD, in line with its mission, provides education to its students with a contemporary and innovative approach, without disregarding traditional values and methods. Aiming to make people think while designing and to learn while producing, our university supports the education of its students with exhibitions, events and academic conferences throughout the year. ARUCAD is a foundation university where thought and creativity are brought to the forefront and prioritized. We know that you are at the point of making a big investment in your future at this time in your life. Whatever your goal is, you can never doubt that, in ARUCAD, we will always be by your side to make it happen.

Exclusive Career

ARUCAD has adopted the principle of gaining skills and ways of thinking that will provide you with a privileged career in the field of artistic production. We will pave the way for you to gain the skills necessary to work in teams, think critically, explore different perspectives, generate creative works and develop your ability to think independently. In addition, we provide the top graduates with a job placement guarantee, allowing them to start their careers one step ahead.

Interdisciplinary Programmes

Our campus is home to a wide variety of disciplines in Art, Design and Communication, which interact and blend into one another. For example, if you are studying in the Department of Industrial Design, you can learn how to use the Photography Studio to experiment with product photography. You will have a chance to learn about various disciplines as well as improving your skills in adjacent fields.

Learning While Producing, Producing While Learning

In our workshops, studios, and laboratories that have been established with advanced technologies, students gain the experience of learning while producing and producing while learning. While studying at ARUCAD, you will develop your creativity in workshops, studios, and laboratories under the leadership of academic staff that encourage innovation and appreciates art, design, and communication. You will be guided by international academic staff of artists, designers, writers, filmmakers, historians and curators. You will be inspired by exploring different techniques while focusing on the essence of what you want to say as an artist, designer, and communicator.

Making A Difference

At ARUCAD, you will meet an environment that will change your life. Here you will establish the foundation of your lifelong friendships and become part of a network that will be provided by internationally recognized artists and academicians. From the moment you join us, you will feel the ARUCAD difference.

LIFE IN NORTH CYPRUS

Kyrenia (Girne) – the ancient Northern port city of Cyprus has all the facilities of a modern city. This city is a reflection of the cultures and civilizations that have lived on the island for centuries with its bazaar, cinema, theatre and many historical sites. It is a privilege to live in Kyrenia (Girne), on the edge of the Mediterranean Sea, on the slopes of the Five Finger Mountains, with beautiful beaches, green nature, and clean air.

You will also enjoy an intense Mediterranean climate, with long dry summers from mid-May to mid-October, and mild winters from December to February, which are separated by short autumn and spring seasons. Summer is a season of high temperatures with cloudless skies, but the sea breeze creates a pleasant atmosphere in the coastal areas, whereas winters are quite mild with rain.

“

Art is a tangible reflection
of your imagination.
Be brave and create
your own world.

FACULTY OF ARTS

At the ARUCAD Faculty of Arts, we promise you a participatory and exciting academic environment where perspectives, values, ideas, and experiences are not only shared, but analyzed and questioned through ongoing interactions between students and faculty members. The only condition of being a part of this environment is to develop your creative thinking and productive skills along with a passion for learning.

The vision of the Faculty of Arts is based on an unbounded art education that prioritizes the interdisciplinary concept.

The education programmes in our departments have been prepared with a multi-disciplinary perspective. In order to address new arguments in today's art environment with innovative teaching programmes, our faculty aims to create a bridge consisting of theory, research, and practice.

We wholeheartedly believe that the importance we attach to interdisciplinary diversity, civic engagement, and cultural exchange will provide all our students with the opportunity to gain the skills necessary to adapt to today's art environment.

ACADEMIC PROGRAMMES

Plastic Arts - Photography - Ceramics - Archaeology - Film Desing and Directing - Textile and Fashion Design

PLASTIC ARTS

The Department of Plastic Arts represents a complex field of contemporary art with its layered contexts, as well as interdisciplinary practices utilizing all kinds of materials and techniques. Advanced workshops and theoretical studies are added to the basic education in the following years. Among the applied courses are: painting, sculpture, ceramics, glass, printmaking, computer-aided design, basic workshop courses and paper workshop.

AFTER THE FOUR-YEAR PROGRAMME, CARRIED OUT IN WELL-EQUIPPED WORKSHOP ENVIRONMENTS WITH LEADING ACADEMICIANS, GRADUATES STEP INTO THE ART WORLD AS CONFIDENT AND FULLY EQUIPPED INDIVIDUALS.

CERAMICS

The Department of Ceramics is based on an educational approach that emphasizes the importance of research and creativity as well as the utilization of modern ceramics and glass technology while being aware of both the versatility and limits of the material. The mission of our department is to provide students with a holistic education that combines traditional production techniques with contemporary art production by introducing them to the nature, technology, and all possible shaping methods of ceramics. Students are given the necessary skills in material chemistry and the application of traditional techniques.

STUDENTS WHO GRADUATE FROM THE DEPARTMENT OF CERAMICS CAN WORK AS DESIGNERS IN CERAMIC AND GLASS WORKSHOPS, FACTORIES OR DESIGN WORKSHOPS IN DIFFERENT SECTORS. ALTERNATIVELY, THEY CAN CONTRIBUTE TO THE TRAINING OF NEW ARTISTS AND DESIGNERS IN THEIR FIELDS BY PURSUING AN ACADEMIC CAREER IN HIGHER EDUCATION.

PHOTOGRAPHY

The ARUCAD Photography Department offers a holistic academic framework in which theory and practice are blended in the best way within the scope of undergraduate education. The four-year education process, which is spent in a creative and critical research atmosphere, will provide students with a rich awareness of visual, aesthetic, technological, and cultural codes impacting the creation of the image. Students will improve their visual literacy and will be able to reflect the knowledge they have acquired in their work via practice and guided discussion.

STUDENTS WHO GRADUATE FROM OUR PHOTOGRAPHY DEPARTMENT WILL HAVE A WIDE RANGE OF CAREER OPTIONS. OUR GRADUATES CAN JOIN PROFESSIONAL PHOTO STUDIO AND LABORATORY TEAMS; THEY CAN FOCUS ON FASHION, NEWS, OR PRODUCT PHOTOGRAPHY, PURSUING A CAREER IN GALLERIES, MUSEUMS, TELEVISION CHANNELS, NEWSPAPERS, MAGAZINES, ADVERTISING AGENCIES, OR THE FILM INDUSTRY.

FILM DESIGN AND DIRECTING

The ARUCAD Film Design and Directing Department develops its students' creative, critical, and analytical thinking skills while offering an art-orientated teaching and production environment for future professionals. With its rich equipment and well-equipped, state-of-the-art studios, the department provides students with the resources needed to excel in the versatile audiovisual production industry. Through practical courses at ARUCAD Studios and a prosperous, multi-faceted training program, students acquire and refine the skills required to thrive as creative and technical professionals.

GRADUATES OF THE DEPARTMENT OF FILM DESIGN AND DIRECTING WILL SPECIALIZE IN DIRECTING, SCREENWRITING, PRODUCTION, CINEMATOGRAPHY, AND EDITING IN TELEVISION AND FILM PRODUCTION COMPANIES. THEY WILL OCCUPY SUCH POSITIONS AS SCRIPTWRITER, PRODUCER, DIRECTOR, EDITOR OR CINEMATOGRAPHER.

ARCHAEOLOGY

The Department of Archeology aims to provide a multidisciplinary education by using innovative theoretical and methodological applied approaches in archaeology, art history, visual culture, cultural heritage management, and museology. With an interdisciplinary approach, it also benefits from various disciplines such as anthropology, history, philology, geology, chemistry, and other sciences. It will be a privilege for students who choose our department to study archaeology in the historical context of Cyprus and ARUCAD's rich library, ancient artifacts, and historical sites.

GRADUATES OF THE DEPARTMENT CAN WORK IN MUSEUMS, TOURISM COMPANIES, ADVERTISING, AND COMMUNICATION AGENCIES, IN CULTURAL AND ARTISTIC FOUNDATIONS, IN COMPANIES WITH CULTURE AND ARTS UNITS, AND INSTITUTIONS THAT CARRY OUT PUBLISHING ACTIVITIES AS WELL AS RESEARCH IN VARIOUS FIELDS RELATED TO ART CRITICISM AND ART HISTORY. GRADUATES WHO CONTINUE THEIR POSTGRADUATE EDUCATION CAN PURSUE THEIR CAREERS AS ACADEMICS.

TEXTILE AND FASHION DESIGN

The ARUCAD Textile and Fashion Design Department trains its designers to be fully equipped to solve the technical stages of the field within clothing items and accompanying accessories that are used in every moment of our lives. Designers will gain knowledge of the various components that complement our appearance, the basic elements of clothing and accessories, the fabric and the surface of the fabric. Designers will confidently know the relationship between concept, collection and style, and will be actively involved in the entire fashion design process.

TEXTILE AND FASHION DESIGN DEPARTMENT GRADUATES ARE ABLE TO WORK IN DESIGN WORKSHOPS, FASHION AGENCIES, FASHION HOUSES, CLOTHING PRODUCTION COMPANIES, WORKSHOPS PRODUCING CLOTHING ACCESSORIES, TEXTILE AND WEAVING WORKSHOPS, IN THE RESEARCH AND DEVELOPMENT DEPARTMENTS OF FACTORIES OR INDIVIDUAL ENTERPRISES. FACULTY OF DESIGN

As ARUCAD aims to address the perceived absence of world-class art and design education in Cyprus and the Mediterranean Region, thus meeting contemporary needs and requirements, ARUCAD Faculty of Design is committed to developing new knowledge and training high-performing professionals to shape enduring communities. We, at the Faculty of Design, envision a future where all communities are resilient and empowered to maximize their social, economic, and environmental well-being. We challenge our students to be creative, to learn through practice, and to apply their knowledge by serving communities around

the world while adapting to an ever-evolving environment. With the support of our esteemed faculty members, our students explore creative design strategies and social innovations that will help make the world more equitable, vibrant and sustainable. We aim at delivering a distinctly different learning experience that combines a rich, interdisciplinary design-based philosophy backed by an entrepreneurial mindset and a deep commitment to working with industry stakeholders at national and international levels to address some of society's biggest challenges in solution oriented ways.

ACADEMIC PROGRAMMES

Architecture - Interior Architecture and Environmental Design - Industrial Design - Urban Design and Landscape Architecture

ARCHITECTURE

The ARUCAD Department of Architecture is grounded in the design studio focus where cultural, social, environmental, technological, theoretical and economic design elements are interconnected. Our programme thrives on the diverse experiences of international academics, the original contents we offer, and the state-of-the-art studio facilities, fostering the development of unique perspectives and creative ideas.

The Department offers two tailored programmes; a 4-year programme and a 5-year programme, tailored to meet different academic and professional aspirations.

GRADUATES OF THE ARUCAD ARCHITECTURE DEPARTMENT EFFECTIVELY SHAPE OUR COMMON FUTURE. THEY PAVE NEW PROFESSIONAL PATHWAYS THROUGH FOCUSING THEIR WORK ON DESIGN, RESEARCH, AND PRODUCTION. THEIR CAREERS EMBRACE THE INTERACTION OF ARCHITECTURAL DESIGN WITH HUMAN, SOCIAL, AND NATURAL SCIENCES, CONTRIBUTING TO THE ADVANCEMENT OF QUALITY OF LIFE. WHETHER IN PRIVATE OR PUBLIC INSTITUTIONS, THEY PLAY A VITAL ROLE AS ARCHITECTS.

INTERIOR ARCHITECTURE AND ENVIRONMENTAL DESIGN

The ARUCAD Department of Interior Architecture and Environmental Design students gain the ability to provide user-friendly production, develop a creative approach to space and form, as well as a deep understanding of environmental and sustainable design. Our students learn to use their talents and apply different techniques through a lively studio and workshop culture.

GRADUATES OF THE DEPARTMENT OF INTERIOR ARCHITECTURE AND ENVIRONMENTAL DESIGN WILL HAVE THE SKILLS TO MANAGE THE DIFFICULTIES THEY MAY ENCOUNTER IN REAL LIFE WITH CREATIVE SOLUTIONS. OUR GRADUATES CAN WORK WITH VARIOUS EXPERTS SUCH AS ARCHITECTS, CONTRACTORS, AND OTHER DESIGN PROFESSIONALS, OR CHOOSE TO BECOME INDEPENDENT DESIGNERS BY OPENING THEIR OWN OFFICES. IN ADDITION, IN THE NEW MEDIA AGE, THEY MAY FIND THE OPPORTUNITY TO WORK IN PHOTOGRAPHY OR FILM STUDIOS AND TELEVISION COMPANIES AS SET DESIGNERS.

INDUSTRIAL DESIGN

The ARUCAD Department of Industrial Design knows that future expertise lies in a human-centered and environmentally sensitive perspective. Students will be well equipped with the knowledge, skills, and creativity required to provide cultural, functional, ecological, and sustainable design solutions. Students will advance in design, expressing their unique identities as innovators, artists, researchers, and entrepreneurs, cultivated through their design education. They will develop and evaluate ideas that provide social benefit and sustainability.

THE KNOWLEDGE AND SKILLS GAINED WILL PROVIDE OUR GRADUATES WITH CAREER OPPORTUNITIES IN BOTH NATIONAL AND INTERNATIONAL BUSINESSES. OUR GRADUATES WILL BE EQUIPPED TO EXCEL IN VARIOUS AREAS, INCLUDING PRODUCT DESIGN (HOUSEHOLD APPLIANCES, FURNITURE, LIGHTING, PACKAGING, TOYS, GLASSWARE, ETC.), AUTOMOTIVE AND YACHT DESIGN, INTERIOR ARCHITECTURE, PRODUCT AND DESIGN MANAGEMENT, AND ENGAGEMENT IN EDUCATION, RESEARCH, AND DEVELOPMENT CENTERS.

URBAN DESIGN AND LANDSCAPE ARCHITECTURE

The ARUCAD Urban Design and Landscape Architecture Department enables students to learn fundamental skills aimed at improving the quality of human life by using scientific and artistic principles to protect, restore, improve existing landscapes and create new landscapes in urban areas. Students develop the ability to produce solutions to environmental problems by gaining theoretical knowledge and practical skills in protecting biodiversity, supporting sustainable food production in rural areas, and creating aesthetically rich urban landscapes.

GRADUATES CAN FIND THEMSELVES IN URBAN DESIGN AND CITY PLANNING, ARCHITECTURE AND CONSTRUCTION; MUNICIPALITIES, MINISTRY OF ENVIRONMENT AND URBANIZATION, MINISTRY OF CULTURE AND TOURISM, MINISTRY OF ENERGY AND NATURAL RESOURCES, MINISTRY OF FORESTRY AND WATER AFFAIRS, GENERAL DIRECTORATE OF NATIONAL PARKS, GENERAL DIRECTORATE OF HIGHWAYS.

“

**Ideas become stronger when
shared. Shape the world
through communication.**

”

FACULTY OF COMMUNICATION

The ARUCAD Faculty of Communication was founded within values of creativity, ethics, innovation, cooperation, sustainability, equality and diversity. We strive to equip our students with knowledge, professional skills and competencies specific to the field of communication. In the Faculty of Communication, our interdisciplinary curriculum integrates theoretical and practical courses, drawing inspiration from both art

and science. One of our main goals is to help both our students and academics reveal their full potential. The academic programmes of all departments are designed for students to understand the globalized and digitalized world, to adopt critical thinking, to value innovative and creative ideas, and to transform these creative ideas into practice.

ACADEMIC PROGRAMMES

Digital Game Design - Visual Communication Design - New Media and Communication (Turkish)

DIGITAL GAME DESIGN

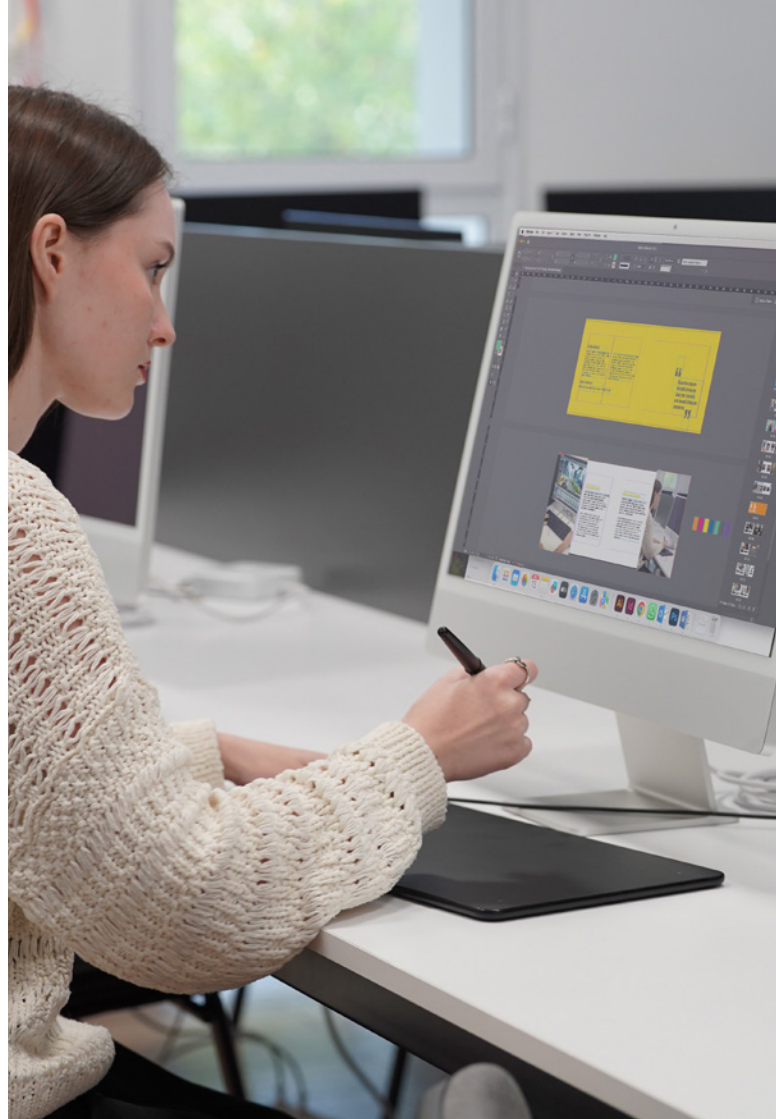

The gaming industry, being a symbiosis of art and technology, not only captures an increasing share of the market year after year, but also continues to develop its unique language of storytelling. It represents a favorable environment for the actualization of creative potential. This ARUCAD department offers students intensive training and practice in all components of game design; from concept development and interface design to creative pitching of their product.

TODAY, AS TV BROADCASTERS AND MOVIE INDUSTRIES LIKE HOLLYWOOD STRUGGLE TO KEEP UP TO DATE, VIDEO GAME INDUSTRY STATISTICS DEMONSTRATE A CONSTANTLY GROWING AND IMPROVING TREND. DIGITAL GAME DESIGN GRADUATES WILL BE WELL-EQUIPPED TO MEET THE INCREASING DEMAND FOR INTERFACE ARTISTS, 3D ANIMATORS, VFX-ARTISTS, PROGRAMMERS, GAME DIRECTORS AND MANY MORE.

VISUAL COMMUNICATION DESIGN

In today's digital revolution, the world's changing conditions have reshaped the demands of everyday life. The imperative for visual communication design takes center stage in a contemporary setting where images are reconceptualized, and identities are crafted through visuals. The ARUCAD Visual Communication Design Department programme covers all the essential design processes, including typography, illustration, editorial design, advertising, media design, packaging design, photography, web design, and 3D animation.

GRADUATES CAN SECURE POSITIONS SUCH AS COMMUNICATIONS SPECIALIST, WEB DESIGNER, CREATIVE DIRECTOR, PROJECT MANAGER, GAME DESIGNER, AND MOBILE APPLICATION DESIGNER. THESE OPPORTUNITIES SPAN ACROSS MANY AREAS RELATED TO VISUAL COMMUNICATION: CORPORATE COMMUNICATION UNITS OF PUBLIC AND PRIVATE SECTOR INSTITUTIONS, VISUAL COMMUNICATION AND DESIGN UNITS OF ADVERTISING AND PUBLIC RELATIONS COMPANIES, AND INTERNET MEDIA.

NEW MEDIA AND COMMUNICATION

The ever-evolving media technology has significantly changed the way societies interact in the entirety of the world. New Media and Communication professionals must have the practical skills to apply new ideas into reality, develop innovative media technology, and critically analyze new media design. Students in the ARUCAD New Media and Communication Department are trained as future professionals who will use media and communication skills in almost every field in the contemporary workforce.

THE GRADUATES OF THE DEPARTMENT CAN PURSUE A CAREER IN MANY FIELDS SUCH AS ANIMATION, GRAPHIC DESIGN, VIDEO/FILM PRODUCTION, TELEVISION/RADIO, WEB DESIGN, GAME DESIGN, MEDIA RELATIONS, MEDIA DESIGN, CORPORATE COMMUNICATION, RESEARCH AND INFORMATION MANAGEMENT, INTERNET JOURNALISM, DIGITAL LITERACY, AND SOCIAL MEDIA MANAGEMENT.

THE ARKIN RODIN COLLECTION GALLERY

Auguste Rodin is the name that carries the deep-rooted sculpture tradition of European Art from the Romanticism of the 19th Century to the 20th Century and the modern age. The collection, consisting of 29 pieces of Rodin's original works, is open to visitors at The Arkin Rodin Collection Gallery, located at The Clock Tower in Kyrenia (Girne) town center, close to ARUCAD's Campus. This magnificent collection belongs to the founder of ARUCAD, Mr. Erbil Arkin, and offers ARUCAD students a unique chance to learn from the masterpieces.

EVENTS AND EXHIBITIONS

Learning processes at ARUCAD are independent from the venue. Our students carry out their learning processes without being tied to a single space. We support the education process with exhibitions, events, academic panels, and conferences that we organize throughout the year.

In addition to the exhibitions, we hold academic talks and conferences with well-known names in the fields of art, design, and communication every month in our university's activity areas: Art Space, Art Rooms, Art Gallery or at Conference Hall.

INTERNATIONAL OPPORTUNITIES

ARUCAD provides its students with opportunities to gain international experience and expand their professional networks through student exchange programmes, dual degree opportunities, and advantages in postgraduate applications at prestigious universities around the world.

STUDENT CLUBS

Joining a club is the fastest way to adapt to the social life on campus. At ARUCAD's student clubs, you will meet dozens of people and make lifelong friendships. Make sure you evaluate each club with an open mind, so you can make the best choice for your ARUCAD experience.

We wish you all the best as you discover new friendships and ways to adapt.

Cinema Club / Music Club / Dance Club / E-sports and Game Club / Nature Sports Club / Graffiti Club / Theatre Club / Design Club / New Media Club / Comic Book and Anime Club / Upcycling Club

STUDENT SHOWCASE

At the end of each semester ARUCAD organizes student showcases, which are open to the public. These exhibitions demonstrate works of students from all departments of the university; their works in the relevant courses are selected by their

academics. Through these exhibitions, students are able to present their works to the appraisal of the general public as well as their friends and teachers, receiving feedback.

THE GARDEN

The Garden Restaurant & Cafe is located in a large newly renovated garden and serves our students. It and other cafes on campus are very popular among students who wish to spend time in a calm atmosphere.

Here you can find a wide selection of salads, toasts, sandwiches, hot meals, snacks and desserts.

TRANSPORTATION

ARUCAD has brought the nostalgic experience to its students by adding traditional Cyprus 'Bedford' Buses to its transportation vehicles fleet.

ARUCAD's complimentary regular school bus service is available during class hours. Its route circles Kyrenia (Girne) as well as its surrounding areas, including ARUCAD Accommodation Apartments, the Campus, Workshops Building, and Nicosia.

SPORTS

ARUCAD encourages its students to live a life intertwined with sports and provides the necessary opportunities for them to do this. ARUCAD, a member of Cyprus University Sports Federation, has basketball, tennis courts, and gym facilities for the use of our students. At the same

time, sports, such as swimming, scuba-diving, and horse riding, are very popular in Cyprus. You will be very close to a wide variety of clubs and sports activities, such as basketball, table-tennis, volleyball, football, diving, hiking, paragliding and mountaineering.

CRAFT CREATED

The art and design store of ARUCAD, 'Craft Created', where works such as prints, glass, ceramics, and promotional items produced in ARUCAD's workshops are offered for sale in ARUCAD Iris Building, ARUCAD Campus, and The Arkin Iskele Hotel.

ARUCAD students also have the opportunity to find buyers by exhibiting their works at the 'Craft Created' Art and Design store.

LIBRARY

The ARUCAD Library collection boasts rich resources in Art, Philosophy, Ceramics, Music, Photography, Architecture, Communication, Cinema, and Design. Our library aims to enhance knowledge of academicians, students and researchers.

Our Digital Library consists of 34 computers with active auxiliary databases in collaboration with ULAKBIM-TUBITAK (EKUAL). Students' research opportunities are enriched with the access to millions of electronic resources, books, articles, magazines, theses, etc.

CONFERENCE HALL

The Conference Hall, located on the upper floor of the ARUCAD Mediation building, has an area of 230 square meters and a capacity of 186 people. With its facilities such as a backstage, control room, various professional microphones, and a halogen automated light system, it offers

ARUCAD students a complete experience. The Hall, which can also be used as a movie theater with its projection system, hosts numerous talks, meetings, seminars and similar events throughout the year.

CAREER AND ALUMNI OFFICE

The ARUCAD Career and Alumni Office offers comprehensive consultancy services to support students and graduates in achieving their career aspirations. The office facilitates job/internship opportunities for students and offers assistance in organizing events and career days for both

current students and graduates. ARUCAD produced its first graduates in the 2021-2022 Academic Year, and the best graduates of the departments were guaranteed employment within the Arkin Group.
